4.8
RATING

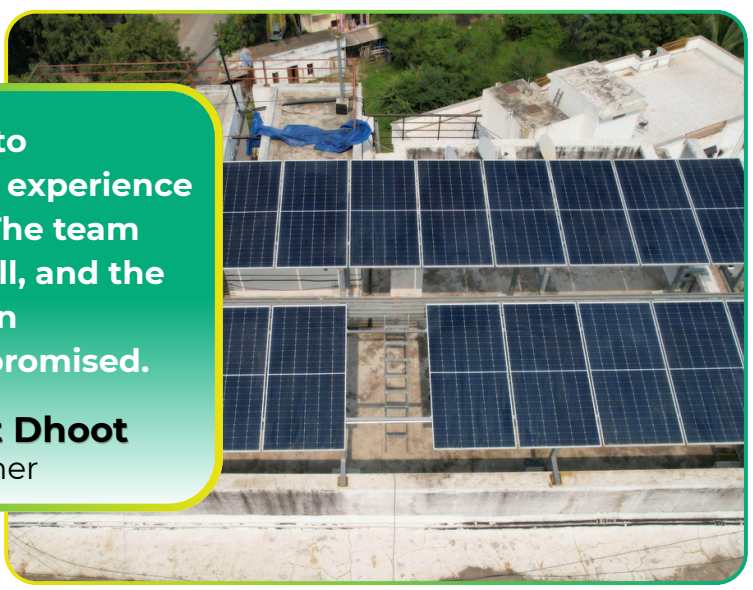
Why Homeowners Trust Infisol

Even after almost 9 years, our solar system is still generating well and reducing our electricity bills. Infisol's support has been very good.

CA Mahesh Indani
Homeowner

The installation was completed on time and the team coordinated well with our committee. Overall, it was a smooth and positive experience.

Freedom Towers
Apartment



From planning to installation, the experience was excellent. The team coordinated well, and the system has been performing as promised.

Siddhart Dhoot
Homeowner
